From the Pastor

It seems like we are able to appreciate "better" things when times are hard. In the middle of our financial crisis and unemployment; in the middle of uncertainty in the world...Christmas gets bigger and better. I'm excited about God's love and His special gift to us than ever before.

As physical "things" mean less, it seems like eternal truths take on greater meaning. I want to encourage you to take a hard look at what holds the greatest meaning for you. "As for me and my house, we will serve the Lord."

Thank You for Joining Us!

The Christmas Dinner at Ops was a
big hit. We packed out the restaurant
and had a great time being together.

The Party was a blast... lots of
singing and laughing... it was great
to spend time with the new families
at CW. Building relationships is very
important and hopefully this gave
everyone a good start.

CW Family Life

CW Family Life is about Christwalk serving God by serving families. It is one way we, as a church, can support the families of our community. Our world is in a family crisis and although we may not be able to "fix" the world, we can do something to help families right here at home.

Sheila Thompson has returned to our area to give support to this ministry to families. As the Christwalk Family Life Coordinator / Event Planner, she will bring strength and emphasis to the special events we have planned for 2012.

Note from Pastor Jim

Sunday is a very special time for all of us... a special day and a special setting for worship. I would like to encourage us to focus on the worship aspect of the day. If 'church business' can be accomplished during the week, it would be best not to deal with it on Sunday. Obviously, some things must be dealt with on Sundays. However, when possible, let's try and deal with logistical things during the week, during office hours. Doing this will allow our staff to enjoy a day of worship, too. Thank you for understanding...

January Mission Trip Fundraiser

We would like to ask for your help in meeting the financial needs for our mission trip coming up in January.

We have funds for Pastor's trip, but Russ Wilkins needs help with his. We need to raise \$1000 to pay for his trip. He has committed to become the Missions Director for CW, and really wants to go on this trip, but after having broken his back and not getting to work, his finances have not been so good.

Please pray about the need and allow God to speak to you about how you can help.

Prayer Board

Please take some time to pray for the following:

- For our youth; struggling with the pressures of school and temptations
- For families who have lost jobs
- For people who have lost a loved one
- For people struggling with an addiction
